Welcome Message

Dear All,

Out look Conference welcomes you to join **International Public Health Conference** during **September 26-27, 2019 | Chicago, USA**. which will bring together world leaders in their respective fields in the fascinating environment of Chicago, USA. Public Health Conference is to explore on Current Issues of Bioluminescence and BioSignals, Bioinformatics and Computational Biology, Biomaterials and Tissue Engineering , Bio Engineering & Biomolecular Engineering, Biomechanics and Mechanobiology, Bio-Micro/Nanotechnologies, Biomedical Sensors and Instrumentation, BioRobotics and Medical Devices, Bio-transportation, Biosensors and Bioelectronics, Engineering/ Synthetic Biology, Medical Imaging and Signal Processing .This event gives a chance for all the professionals to gain and share information on Biomedical Engineering. We do expect this conference will be an opportunity to meet and gather with colleagues from different countries and other parts of USA.

Conference Objectives:

- To provide a setting for mutual feedback on participants' current research and guidance on future research directions;
- To develop a supportive community of scholars and a spirit of collaborative research;
- To support a new generation of researchers by offering advice about academic, research, industrial, and non-traditional career paths; and
- To contribute to the overall conference goals through interaction with other researchers and participation in conference events.
- The Ph.D. Forum will be held on 2nd day of conference, as a full afternoon session during the main Public Health conference. Students may apply to participate either as a workshop participant or as a speaker.

Public Health-2019

We look forward to seeing you at USA on September 23, 2019...!!!

Sponsors and Exhibitors Information

Outlook Conferences Meetings are one of the leading international conferences around the globe. Game-changing developments, such as the deployment of new domain extensions, and the emergence of disruptive and creative business models are enabled by decisions taken at this platform and it's not just for techies! Representatives from the global business community, governments, industry insiders, and many other contributors whose work affects the Federation of the global Internet will attend. We encourage you to take advantage of this unique opportunity to participate as a sponsor. Choose a package that meets your particular marketing objectives, or talk with our staff about creating a marketing program that is uniquely yours.

Adding value to the Outlook Conferences experience while integrating your brand's products will not only showcase the authenticity of the brand, but will result in great, objective 3rd party recognition that will move the influencer needle. This is more than a marketing play. It's about creating experiences that will resonate long After your brand strikes its activations.

When your brand purchases a Sponsorship package, it is committing itself to delivering experiential relevance and value to thousands of industry influencers including press, creative's and their millions of collective followers, who have come to expect nothing less from Outlook Conferences and its partners. Through activations, product integration, social media and logo placement, your brand has the tools to educate, entertain and engage a captive audience on what it is doing to make a difference in the global Scientific Community. So put your best foot forward. Visualize this partnership through the eyes of our attendees...!!!

About Chicago, USA

The city is traversed by the Chicago and Calumet rivers. Chicago's extensive parklands, including 3,000 hectares of city parks attract an estimated 86 million visitors annually.

As a multicultural city that thrives on the harmony and diversity of its neighborhoods, Chicago today embodies the values of America's heartland-integrity, hard work and community and reflects the ideals in the social fabric of its 77 distinct neighborhoods.

Chicago is racking up world-class accolades.

Visit the Second Tallest Building in North America at the Willis Tower and step out onto The Ledge, a suspended glass box at the Skydeck Chicago observatory that is more than 1,000 feet in the sky.

Explore Chicago Attractions

This is a city to be toured-whether by foot, bike, trolley or even Segway.

- The Chicago Riverwalk is a socializing hotspot with jaw-dropping city and river views.
- Navy Pier is for the kid in all of us (climate-controlled ferris wheel included).
- At world-renowned Millennium Park, capture the perfect selfie at Cloud Gate (aka "The Bean"), and revel in the virtual reality of Crown Fountain.
- Take the Chicago Architecture Foundation Center River Cruise Aboard Chicago's First Lady tour
- Gasp at the stature of Mies Van der Rohe skyscrapers, and tour the living museum that is Frank Lloyd Wright architecture.

The beauty of Chicago lies not only in its magnificent architecture, but also in the city's vast preserved green and open spaces. Chicagoans have over 580 parks and 8,300 acres of green spaces at their disposal. With beaches, ice rinks and bike paths, there's no shortage of outdoor recreation for Chicagoans.

Come choose your adventure.
